

PA DISTRICT, U.P.C.I.

CAMP GUIDELINES/POLICIES

All persons (*registered campers as well as unregistered guests*) are subject to all the rules and regulations as stated in both the PA District Camp Guidelines/Policies and those established by the Roxbury Holiness Camp.

Each U.P.C.I. pastor should make certain their church members who will be registered campers (*or non-registered guests throughout the week*) have read and understand the following guidelines before they arrive at the campgrounds.

MISSION STATEMENT:

The purpose and intent of all PA District Camps shall be to provide campers with a setting for worship-related activities that promote evangelism, Christian growth, and spiritual renewal, and to provide an environment that permits wholesome activity and fellowship for the strengthening of personal and family relationships in the spirit of unity and true holiness.

REGISTRATION AND CHECK-OUT:

1. All registering campers must check in at the registration office upon arrival at the campgrounds (*even if they already know their lodging assignment*). All persons staying overnight on the campgrounds, regardless of accommodations, must be registered with the registrar.
2. A Registration Form and Medical Emergency Form must be completed for each registered camper and submitted with their registration fee. The registrar will first assign lodging to those who have submitted their completed forms along with the appropriate fees; lodging cannot be assigned until the registration fee has been paid. Telephoned requests from potential campers to reserve lodging cannot be guaranteed by the registrar.
3. As a courtesy, PA District licensed ministers will have until May 31st to register and reserve lodging. After that date, ministers who register will be assisted on a first-come first-served basis as any other camper. Ministers should not attempt to pressure the registrar or any district official regarding the cut-off date for reserved lodging. As in any instance, outside of special health needs, the registrar cannot "bump" someone else out of already assigned lodging to accommodate ministerial requests made after the cut-off date.
4. Registrants who do not attend a United Pentecostal Church must obtain the signature (*on their registration form*) of the U.P.C.I. sectional presbyter where they reside.
5. Anyone who is only registering for specific nights instead of the full week must pay a pro-rated amount for each night. That pro-rated amount will include meals in the dining hall, lodging and all camp sessions if you are staying in a cabin, the small motel unit, a trailer, or the Byers Conference Center. If you are staying in an RV or tent with other people, only one person will have their meals included in the pro-rated amount. All others must pay \$5.00 per meal (*meal tickets are available at the registration office*).
6. Non-registered campers who attend the day sessions and evening services may purchase meal tickets at the registration office (*\$5.00/meal*). Please do not eat in the dining hall if you are a day visitor who has not purchased a meal ticket or if you are a registered camper whose registration package did not include meals.
7. For insurance and safety purposes, registered campers who need to leave the campgrounds overnight must notify the registrar of their departure and anticipated return time. If a parent/guardian needs to unenroll their young person (*under the age of 18 years*) from Jr., Sr., or Singles' Camp, they must sign them out at the registration office and must also inform their counselor as well.
8. All Jr. and Sr. Campers must lodge with their appropriate age group in the bed they are assigned; they cannot stay with their parents/guardians. The only exceptions that will be made are for medical conditions or disabilities that require a child/young person to have parental/guardian assistance.

9. Jr. Campers are not allowed to leave the campgrounds for off-campground activities. Sr. or Singles' Campers (*under the age of 18*) are not allowed to leave the campground for off-campground activities unless their registration form has been signed by their parent/guardian where it states, "I give my young person permission to participate in any supervised off-campground activities."
10. Due to liability and safety concerns, unregistered guests must leave the campgrounds each night by 12 midnight (*this includes Individuals who arrive Thursday night to transport campers home*). If unregistered guests do not leave the campgrounds by 12 midnight, camp security may report them to the Camp Director, and an effort will then be made to contact the pastor of individuals who refuse to cooperate with campground policy. Those who persist in refusing to leave the campgrounds may be reported to the police, whether they are members of a PA District, U.P.C.I. church or not.
11. Requests for a refund of registration fees must be addressed to the camp registrar. Final approval will come from the PA District Superintendent or the PA District Secretary. No-shows that are non-emergency situations and who do not cancel at least one week prior to camp will not receive a refund. No exceptions. Refunds will be given in the following instances only:
 - a. Paid campers who have agreed to serve as staff members for the duration of the camp.
 - b. Immediate emergencies.
 - c. Non-emergency situations made at least one week prior to the week of camp. (*Note: A \$10.00 fee will be charged in this situation.*)

RESPONSIBILITIES:

1. Each camper is responsible for his/her own: sleeping bag, sheets, blankets, pillow, towels, washcloths, personal hygiene items, clothing, bible, pens, notebook, spending money for the concession stand or camp store, etc. Personal property that is lost is the responsibility of the camper.
2. Jr. Campers must follow the daily schedule as established by the Jr. Camp director. Jr. Campers must report to their assigned counselors and cabins/dorms immediately following dismissal from the evening snack.
3. All Jr. and Sr. Campers remaining on the campgrounds through Thursday night must remain under the supervision of their camp counselor. However, if their parent/guardian wants them to spend Thursday night with them in their cabin, the parent/guardian must tell their child's counselor, and they must remain under parent/guardian supervision at all times.
4. An announcement will be made to signify the end of the canteen fellowship time after the evening services. At that time, all registered campers should proceed to their appropriate lodging.
5. Singles' Campers who participate in any Sr. or Family Camp functions must abide by the rules pertaining to each function. This includes attention to canteen dismissal times and the 12 midnight curfew.
6. Although there is no "lights out" policy for Family Campers, it is expected that they will refrain from loud fellowshiping after midnight.

PROHIBITED BEHAVIOR:

1. At no time are unmarried couples permitted to have physical contact of any kind and pairing off of unmarried couples in secluded or unlighted areas is not permitted. We reserve the right to dismiss unmarried campers for these offenses including participation in physical displays of affection or sexual promiscuity.
2. Unmarried campers are not permitted to enter or linger around cabins/dorms of the opposite sex.
3. Playing unwholesome games and/or music is not permitted on the campgrounds. Gambling is also prohibited.
4. Foul language is not permitted on the campgrounds.
5. Anyone found in possession of or in use of illegal substances such as drugs, tobacco products, alcoholic beverages, firearms, knives or other weapons, fireworks, or explosives is subject to immediate dismissal from the campground on the first offense and we will contact the police should we deem it necessary.
